

2017 MIT Science Olympiad Tournament Map

Locations at MIT are represented by a building number, then a hyphen, then a room number. For example, “2-105” indicates building 2, room 105.

A campus map may be viewed at whereis.mit.edu or via the official MIT Mobile app.

Check-in, coach and event supervisor hospitality room, tournament headquarters, scoring/tabulation, first aid, and arbitration are located in 10-105 (Bush Room).

Buildings in which event rooms or homerooms are located are circled in red on the above map.

Buses should drop students off on Amherst Street in the morning and pick up students there after awards.

Forensics is located in building N52, two blocks north on Massachusetts Avenue.

In an emergency, call MIT Police at 617-253-1212. If you’re lost and need directions on campus, call Priya Pillai at 630-209-2355 or Katie Shade at 224-805-3505.
